Gig Information Sheet. If you would like to have the Lagniappe Dulcimer Society play, please contact

Jak Stallings

Cell: (225) 744-3158 Email: jmstall@eatel.net

Or Peggy Broussard, President at (225)261-6696

The Lagniappe Dulcimer Society has approximately 90 members who enjoy playing the traditional mountain dulcimer, bowed dulcimer, guitar, fiddle, autoharp, bowed psaltry, harmonica, pickin' stick, and other "old time" acoustic instruments. We jam every Tuesday evening from 6 -- 9 PM at the Unitarian Church, 8470 Goodwood Avenue, Baton Rouge, LA 70806. There is a link to a map to the Unitarian Church on our website listed above. We welcome visitors and new members who already play an instrument or want to learn to play the dulcimer.

We've performed at many community events such as the West Baton Rouge Parish Museum Sugar Fest, Houmas House Art Festival, Rural Life Museum Christmas Open House, Baton Rouge Farmer's Market and also for local groups such as nursing homes, retirement groups, churches, private functions, and schools.

We tailor our music for each occasion and audience. To help us prepare for your event please consider the following:

- 1. Where will be be playing? Directions to facility or area.**
- 2. Where may we park? Parking passes needed?**
- 3. Who are we playing for? Adults, Children, Elderly?**
- 4. How long would you like us to play?**
- 5. Can you provide chairs? Our dulcimers are long instruments held in our laps.**
- 6. Because dulcimers are acoustically quiet instruments, will amplification be needed?**
- 7. If we will be playing outside we'll need covered seating or shade to protect our instruments from sun.**
- 8. Will other bands be playing also?**
