

Hey! You feel the need for a toe tapping, old fashioned, knee slapping, family oriented, good time?

Then by golly, you've come to the Right Place!

Our club performs for Schools, Nursing homes, Senior Citizen groups, Churches, Festivals and Private Parties upon request!

If you would like us to come play for your function, just give us a call, as we enjoy sharing our music, history and instruments with others.

For further information give one of these folks a hoot!

(We play and sing for your enjoyment but the club will accept donations)
